 13 graph (1) shall be submitted at the same time that the
 14 President submits to Congress the budget for that fiscal
 15 year under section 1105(a) of title 31, United States
 16 Code.

17 (b) **CONTENT.**—The report on submarine tech-

7 **SEC. 242. SENSE OF THE SENATE REGARDING FUNDING OF**
 8 **THE ADVANCED SHIPBUILDING ENTERPRISE**
 9 **UNDER THE NATIONAL SHIPBUILDING RE-**
 10 **SEARCH PROGRAM OF THE NAVY.**

11 (a) FINDINGS.—Congress makes the following find-
 12 ings:

13 (1) The budget for fiscal year 2005, as sub-
 14 mitted to Congress by the President, provides
 15 \$10,300,000 for the Advanced Shipbuilding Enter-
 16 prise under the National Shipbuilding Research Pro-
 17 gram of the Navy.

18 (2) The Advanced Shipbuilding Enterprise is an
 19 innovative program to encourage greater efficiency
 20 in the national technology and industrial base.

 22 building industry have embraced the Advanced Ship-
 23 building Enterprise as a method for exploring and
 24 collaborating on innovation in shipbuilding and ship

1 repair that collectively benefits all components of the
2 industry.

3 (b) SENSE OF THE SENATE.—It is the sense of the
4 Senate—

5 (1) that the Senate—

6 (A) strongly supports the innovative Ad-
7 vanced Shipbuilding Enterprise under the Na-
8 tional Shipbuilding Research Program as an en-
9 terprise between the Navy and industry that
10 has yielded new processes and techniques that
11 reduce the cost of building and repairing ships
12 in the United States; and

13 (B) is concerned that the future-years de-
14 fense program of the Department of Defense
15 that was submitted to Congress for fiscal year
16 2005 does not reflect any funding for the Ad-
17 vanced Shipbuilding Enterprise after fiscal year
18 2005; and

19 (2) that the Secretary of Defense should con-
20 tinue to provide in the future-years defense program
21 for funding the Advanced Shipbuilding Enterprise at
22 a sustaining level in order to support additional re-
23 search to further reduce the cost of designing, build-
24 ing, and repairing ships.

20 health effects associated with the drinking of con-
21 taminated drinking water at Camp Lejeune as pro-
22 posed by the Agency for Toxic Substances and Dis-
23 ease Registry (ATSDR), including whether the pro-
24 posed study—

1 (A) will address the appropriate at-risk
2 populations;

3 (B) will encompass an appropriate time-

4 **OF DEFENSE INSTALLATIONS.**

5 (a) COMPTROLLER GENERAL STUDY.—The Comp-
6 troller General of the United States shall conduct a study
7 to determine whether or not cost-effective technologies are
8 available to the Department of Defense for the cleanup
9 of groundwater contamination at Department installations

11 that can be expensive and take many years to complete.

12 (b) ELEMENTS.—The study under subsection (a)
13 shall include the following:

14 (1) An identification of current technologies
15 being used or field tested by the Department to
16 treat groundwater at Department installations, in-
17 cluding the contaminants being addressed.

18 (2) An identification of cost-effective tech-
19 nologies described in that subsection that are cur-
20 rently under research, under development by com-

15 **SEC. 327. SENSE OF SENATE ON PERCHLORATE CONTAMI-**
 16 **NATION OF GROUND AND SURFACE WATER.**

17 (a) FINDINGS.—The Senate makes the following
 18 findings:

19 (1) Because finite water sources in the United
 20 States are stretched by regional drought conditions
 21 and increasing demand for water supplies, there is
 22 increased need for safe and dependable supplies of
 23 fresh water for drinking and use for agricultural
 24 purposes.

1 (2) Perchlorate, a naturally occurring and man-
 2 made compound with medical, commercial, and na-
 3 tional defense applications, which has been used pri-
 4 marily in military munitions and rocket fuels, has
 5 been detected in fresh water sources intended for
 6 use as drinking water and water necessary for the
 7 production of agricultural commodities.

8 (3) If ingested in sufficient concentration and
 9 in adequate duration, perchlorate may interfere with
 10 thyroid metabolism, and this effect may impair the
 11 normal development of the brain in fetuses and
 12 newborns.

13 (4) The Federal Government has not yet estab-
 14 lished a drinking water standard for perchlorate.

15 (5) The National Academy of Sciences is con-
 16 ducting an assessment of the state of the science re-
 17 garding the effects on human health of perchlorate
 18 ingestion that will aid in understanding the effect of
 19 perchlorate exposure on sensitive populations.

20 (b) SENSE OF SENATE.—It is the sense of the Senate
 21 that—

22 (1) perchlorate has been identified as a con-
 23 taminant of drinking water sources or in the envi-
 24 ronment in 34 States and has been used or manu-
 25 factured in 44 States;

1 (2) perchlorate exposure at or above a certain
2 level may adversely affect public health, particularly
3 the health of vulnerable and sensitive populations;
4 and

5 (3) the Department of Defense should—

6 (A) work to develop a national plan to re-
7 mediate perchlorate contamination of the envi-
8 ronment resulting from Department’s activities
9 to ensure the Department is prepared to re-
10 spond quickly and appropriately once a drinking
11 water standard is established;

12 (B) in cases in which the Department is
13 already remediating perchlorate contamination,
14 continue that remediation;

15 (C) prior to the development of a drinking
16 water standard for perchlorate, develop a plan
17 to remediate perchlorate contamination in cases
18 in which such contamination from the Depart-
19 ment’s activities is present in ground or surface
20 water at levels that pose a hazard to human
21 health; and

22 (D) continue the process of evaluating and
23 prioritizing sites without waiting for the devel-
24 opment of a Federal standard.

11 retary considers appropriate regarding any legislative ini-
12 tiatives necessary to address encroachment problems iden-

24 permit a military operation to be conducted on the ground
25 in a covered wilderness study area in the Utah Test and
26 Training Range.

1 (d) COMMUNICATIONS AND TRACKING SYSTEMS.—
 2 Nothing in this section shall be construed to prevent any
 3 required maintenance of existing communications, instru-
 4 mentation, or electronic tracking systems (or the infra-
 5 structure supporting such systems) necessary for effective
 6 testing and training to meet military requirements in the
 7 Utah Test and Training Range.

6 **SEC. 366. MEDIA COVERAGE OF THE RETURN TO THE**
 7 **UNITED STATES OF THE REMAINS OF DE-**
 8 **CEASED MEMBERS OF THE ARMED FORCES**
 9 **FROM OVERSEAS.**

10 (a) FINDINGS.—Congress makes the following find-
 11 ings:

12 (1) The Department of Defense, since 1991,
 13 has relied on a policy of no media coverage of the
 14 transfers of the remains of members Ramstein Air
 15 Force Base, Germany, nor at Dover Air Force Base,
 16 Delaware, and the Port Mortuary Facility at Dover
 17 Air Force Base, nor at interim stops en route to the
 18 point of final destination in the transfer of the re-
 19 mains.

20 (2) The principal focus and purpose of the pol-
 21 icy is to protect the wishes and the privacy of fami-
 22 lies of deceased members of the Armed Forces dur-
 23 ing their time of great loss and grief and to give
 24 families and friends of the dead the privilege to de-
 25 cide whether to allow media coverage at the mem-

1 ber's duty or home station, at the interment site, or
2 at or in connection with funeral and memorial serv-
3 ices.

4 (3) In a 1991 legal challenge to the Depart-
5 ment of Defense policy, as applied during Operation
6 Desert Storm, the policy was upheld by the United
7 States District Court for the District of Columbia,
8 and on appeal, by the United States Court of Ap-
9 peals for the District of Columbia in the case of *JB*
10 *Pictures, Inc. v. Department of Defense and Donald*
11 *B. Rice, Secretary of the Air Force* on the basis that
12 denying the media the right to view the return of re-
13 mains at Dover Air Force Base does not violate the
14 first amendment guarantees of freedom of speech
15 and of the press.

16 (4) The United States Court of Appeals for the
17 District of Columbia in that case cited the following
18 two key Government interests that are served by the
19 Department of Defense policy:

20 (A) Reducing the hardship on the families
21 and friends of the war dead, who may feel obli-
22 gated to travel great distances to attend arrival
23 ceremonies at Dover Air Force Base if such
24 ceremonies were held.

1 (B) Protecting the privacy of families and
 2 friends of the dead, who may not want media
 3 coverage of the unloading of caskets at Dover
 4 Air Force Base.

5 (5) The Court also noted, in that case, that the
 6 bereaved may be upset at the public display of the
 7 caskets of their loved ones and that the policy gives
 8 the family the right to grant or deny access to the
 9 media at memorial or funeral services at the home
 10 base and that the policy is consistent in its concern
 11 for families.

12 (b) SENSE OF CONGRESS.—It is the sense of Con-
 13 gress that the Department of Defense policy regarding no
 14 media coverage of the transfer of the remains of deceased
 15 members of the Armed Forces appropriately protects the
 16 privacy of the members' families and friends of and is con-
 17 sistent with United States constitutional guarantees of
 18 freedom of speech and freedom of the press.

19 **SEC. 367. TRACKING AND CARE OF MEMBERS OF THE**
 20 **ARMED FORCES WHO ARE INJURED IN COM-**
 21 **BAT.**

22 (a) FINDINGS.—The Senate makes the following
 23 findings:

24 (1) Members of the Armed Forces of the
 25 United States place themselves in harm's way in the

1 defense of democratic values and to keep the United
2 States safe.

3 (2) This call to duty has resulted in the ulti-
4 mate sacrifice of members of the Armed Forces of
5 the United States who are killed or critically injured
6 while serving the United States.

7 (b) SENSE OF SENATE.—It is the sense of the
8 Senate—

9 (1) to honor the sacrifice of the members of the
10 Armed Forces who have been killed or critically
11 wounded while serving the United States;

12 (2) to recognize the heroic efforts of the med-
13 ical personnel of the Armed Forces in treating
14 wounded military personnel and civilians; and

15 (3) to support advanced medical technologies
16 that assist the medical personnel of the Armed
17 Forces in saving lives and reducing disability rates
18 for members of the Armed Forces.

19 (c) POLICY ON TRACKING OF WOUNDED FROM COM-
20 BAT ZONES.—(1) Not later than 120 days after the date
21 of the enactment of this Act, the Secretary of Defense
22 shall—

23 (A) prescribe the policy of the Department of
24 Defense for providing timely notification to the next
25 of kin of the status, including health and location,

1 of members of the Armed Forces who are seriously
 2 ill or injured in a combat zone; and

3 (B) transmit to the Committees on Armed
 4 Services of the Senate and House of Representatives
 5 a copy of the policy prescribed under subparagraph
 6 (A).

7 (2) The policy prescribed under paragraph (1) shall
 8 ensure respect for the expressed desires of individual mem-
 9 bers of the Armed Forces regarding notification of next
 10 of kin under the policy, and shall also include standards
 11 of timeliness for the initial and continuing notification of
 12 next of kin under the policy.

13 (d) FUNDING FOR MEDICAL EQUIPMENT AND COM-
 14 BAT CASUALTY TECHNOLOGIES.—(1) The amount au-
 15 thorized to be appropriated by section 201(4) for research,
 16 development, test, and evaluation, Defense-wide activities,
 17 is hereby increased by \$10,000,000, with the amount of
 18 the increase to be allocated to Program Element
 19 PE 0603826D8Z.

20 (2) Of the amount authorized to be appropriated by
 21 section 201(4) for research, development, test, and evalua-
 22 tion, Defense-wide activities, and allocated to Program
 23 Element PE 0603826D8Z, as provided by paragraph (1),
 24 \$10,000,000 may be available for medical equipment and
 25 combat casualty care technologies.

1 (e) OFFSET.—The amount authorized to be appro-
 2 priated by section 421 is hereby reduced by \$10,000,000,
 3 with the amount of the reduction to be derived from excess
 4 amounts provided for military personnel of the Air Force.

18 would be achieved by having a defense acquisition and
19 support workforce of such larger size.

20 (2) During fiscal years 2005, 2006, and 2007, the

 23 States Code, is amended by adding at the end the fol-
 24 lowing new paragraph:

1 “(5)(A) Notwithstanding subsection (d), a function
2 of the Department of Defense performed by 10 or more
3 civilian employees may not be converted, in whole or in
4 part, to performance by a contractor unless the conversion
5 is based on the results of a public-private competition
6 process that—

7 “(i) formally compares the cost of civilian em-
8 ployee performance of that function with the costs of
9 performance by a contractor;

10 “(ii) creates an agency tender, including a most
11 efficient organization plan, in accordance with Office
12 of Management and Budget Circular A-76, as im-
13 plemented on May 29, 2003;

14 “(iii) requires continued performance of the
15 function by civilian employees unless the competitive
16 sourcing official concerned determines that, over all
17 performance periods stated in the solicitation of of-
18 fers for performance of the activity or function, the
19 cost of performance of the activity or function by a
20 contractor would be less costly to the Department of
21 Defense by an amount that equals or exceeds the
22 lesser of \$10,000,000 or 10 percent of the most effi-
23 cient organization’s personnel-related costs for per-
24 formance of that activity or function by Federal em-
25 ployees; and

1 “(iv) ensures that the public sector bid would
2 not be disadvantaged in the cost comparison process
3 by a proposal of an offeror to reduce costs for the
4 Department of Defense by not making an employer-
5 sponsored health insurance plan available to the
6 workers who are to be employed in the performance
7 of such function under a contract or by offering to
8 such workers an employer-sponsored health benefits
9 plan that requires the employer to contribute less to-
10 wards the premium or subscription share than that
11 which is paid by the Department of Defense for
12 health benefits for civilian employees under chapter
13 89 of title 5.

14 “(B) Any function that is performed by civilian em-
15 ployees of the Department of Defense and is proposed to
16 be reengineered, reorganized, modernized, upgraded, ex-
17 panded, or changed in order to become more efficient shall
18 not be considered a new requirement for the purpose of
19 the competition requirements in subparagraph (A) or the
20 requirements for public-private competition in Office of
21 Management and Budget Circular A-76.

22 “(C) A function performed by more than 10 Federal
23 Government employees may not be separated into separate
24 functions for the purposes of avoiding the competition re-
25 quirement in subparagraph (A) or the requirements for

1 public-private competition in Office of Management and
2 Budget Circular A-76.

3 “(D) The Secretary of Defense may waive the re-
4 quirement for a public-private competition under subpara-
5 graph (A) in specific instances if—

6 “(i) the written waiver is prepared by the Sec-
7 retary of Defense or the relevant Assistant Secretary
8 of Defense, Secretary of a military department, or
9 head of a Defense Agency;

10 “(ii) the written waiver is accompanied by a de-
11 tailed determination that national security interests
12 are so compelling as to preclude compliance with the
13 requirement for a public-private competition; and

14 “(iii) a copy of the waiver is published in the
15 Federal Register within 10 working days after the
16 date on which the waiver is granted, although use of
17 the waiver need not be delayed until its publica-
18 tion.”.

24 security of the United States.

5 ance in fiscal year 2005 to Iraq and Afghanistan military
6 or security forces solely to enhance their ability to combat
7 terrorism and support United States or coalition military
8 operations in Iraq and Afghanistan, respectively.

9 (b) **TYPE OF ASSISTANCE.**—Assistance provided
10 under subsection (a) may include equipment, supplies,
11 services, and training.

12 (c) **LIMITATIONS.**—(1) The Secretary of Defense may
13 provide assistance under this section only with the concur-
14 rence of the Secretary of State and, in any case in which
15 section 104(e) of the National Security Act of 1947 (50
16 U.S.C. 403–4(e)) applies, the Director of Central Intel-
17 ligence.

18 (2) The cost of assistance provided under this section

 2 15 days before providing assistance to a recipient under
 3 this section, the Secretary of Defense shall submit to the

6 **SEC. 1054. ASSIGNMENT OF NATO NAVAL PERSONNEL TO**
 7 **SUBMARINE SAFETY RESEARCH AND DEVEL-**
 8 **OPMENT PROGRAMS.**

9 (a) AUTHORITY.—Chapter 631 of title 10, United
 10 States Code, is amended by inserting after the item relat-
 11 ing to section 7205 the following new section:

12 **“§ 7206. Submarine safety research and development:**
 13 **acceptance of services of NATO naval**
 14 **personnel**

15 “(a) AUTHORITY.—The Secretary of the Navy may,
 16 subject to subsection (e), accept the assignment of one or
 17 more members of the navy of another member country of
 18 the North Atlantic Treaty Organization to a command of
 19 the Navy for work on the development, standardization,
 20 or interoperability of submarine vessel safety and rescue
 21 systems and procedures if the Secretary determines that
 22 doing so would facilitate the development, standardization,
 23 and interoperability of submarine vessel safety and rescue
 24 systems and procedures for the Navy, the navy of that
 25 foreign country, and any other navy involved in that work.

1 “(b) RECIPROCITY NOT REQUIRED.—The authority
 2 under subsection (a) is not an exchange program. Recip-
 3 rocal assignments of members of the Navy to a navy of
 4 a foreign country is not a condition for the exercise of
 5 such authority.

6 “(c) PAYMENT OF PERSONNEL COSTS.—(1) The ac-
 7 ceptance of a member of a navy of a foreign country under
 8 this section is subject to the condition that the government
 9 of that country pay the salary, per diem allowance, sub-
 10 sistence costs, travel costs, cost of language or other train-
 11 ing, and other costs for that member in accordance with
 12 the laws and regulations of such country.

13 “(2) Paragraph (1) does not apply to the following
 14 costs:

15 “(A) The cost of temporary duty directed by
 16 the Secretary of the Navy or an officer of the Navy
 17 authorized to do so.

22 “(C) Any cost incident to the use of the facili-

 24 ties.

1 “(d) RELATIONSHIP TO OTHER AUTHORITY.—The
 2 provisions of this section shall apply to any other authority
 3 that the Secretary of the Navy may exercise, subject to
 4 the concurrence of the Secretary of State, to enter into
 5 an agreement with the government of a foreign country
 6 to provide for the assignment of members of the navy of
 7 that foreign country to a Navy submarine safety program.
 8 The Secretary of the Navy may prescribe regulations for
 9 the application of this section in the exercise of such au-
 10 thority.

11 “(e) TERMINATION OF AUTHORITY.—The Secretary
 12 of the Navy may not accept the assignment of a member
 13 of the navy of a foreign country under this section after
 14 September 30, 2008.”.

15 (b) CLERICAL AMENDMENT.—The table of sections
 16 at the beginning of such chapter is amended by inserting
 17 after the item relating to section 7205 the following new
 18 item:

“7206. Submarine safety research and development: acceptance of services of
 NATO naval personnel.”.

19 **SEC. 1055. COMPENSATION FOR FORMER PRISONERS OF**
 20 **WAR.**

21 Any plan of the Secretary of Defense to provide com-
 22 pensation to an individual who was injured in a military
 23 prison under the control of the United States in Iraq shall
 24 include a provision to address the injuries suffered by the

1 17 citizens of the United States who were held as pris-
2 oners of war by the regime of Saddam Hussein during
3 the First Gulf War.

4 **SEC. 1056. DRUG ERADICATION EFFORTS IN AFGHANISTAN.**

5 (a) FINDINGS.—Congress makes the following find-
6 ings:

7 (1) The United States engaged in military ac-
8 tion against the Taliban-controlled Government of
9 Afghanistan in 2001 in direct response to the
10 Taliban's support and aid to Al Qaeda.

11 (2) The military action against the Taliban in
12 Afghanistan was designed, in part, to disrupt the ac-
13 tivities of, and financial support for, terrorists.

14 (3) A greater percentage of the world's opium
15 supply is now produced in Afghanistan than before
16 the Taliban banned the cultivation or trade of
17 opium.

18 (4) In 2004, more than two years after the
19 Taliban was forcefully removed from power, Afghan-
20 istan is supplying approximately 75 percent of the
21 world's heroin.

22 (5) The estimated value of the opium harvested
23 in Afghanistan in 2003 was \$2,300,000,000.

24 (6) Some of the profits associated with opium
25 harvested in Afghanistan continue to fund terrorists

1 and terrorist organizations, including Al Qaeda, that
2 seek to attack the United States and United States
3 interests.

4 (7) The global war on terror is and should re-
5 main our Nation's highest national security priority.

6 (8) United States and Coalition counterdrug ef-
7 forts in Afghanistan have not yet produced signifi-
8 cant results.

9 (9) There are indications of strong, direct con-
10 nections between terrorism and drug trafficking.

11 (10) The elimination of this funding source is
12 critical to making significant progress in the global
13 war on terror.

14 (11) The President of Afghanistan, Hamid
15 Karzai, has stated that opium production poses a
16 significant threat to the future of Afghanistan, and
17 has established a plan of action to deal with this
18 threat.

19 (12) The United Nations Office on Drugs and
20 Crime has reported that Afghanistan is at risk of
21 again becoming a failed state if strong actions are
22 not taken against narcotics.

23 (b) SENSE OF CONGRESS.—It is the sense of Con-
24 gress that—

1 (1) the President should make the substantial
2 reduction of drug trafficking in Afghanistan a pri-
3 ority in the war on terror;

4 (2) the Secretary of Defense should, in coordi-
5 nation with the Secretary of State, work to a greater
6 extent in cooperation with the Government of Af-
7 ghanistan and international organizations involved in
8 counterdrug activities to assist in providing a secure
9 environment for counterdrug personnel in Afghani-
10 stan; and

11 (3) because the trafficking of narcotics is
12 known to support terrorist activities and contributes
13 to the instability of the Government of Afghanistan,
14 additional efforts should be made by the Armed
15 Forces of the United States, in conjunction with and
16 in support of coalition forces, to significantly reduce
17 narcotics trafficking in Afghanistan and neighboring
18 countries, with particular focus on those trafficking
19 organizations with the closest links to known ter-
20 rorist organizations.

21 (c) REPORT.—Not later than 120 days after the date
22 of the enactment of this Act, the Secretary of Defense
23 shall submit to Congress a report that describes—

1 (1) progress made towards substantially reduc-
 2 ing the poppy cultivation and heroin production ca-
 3 pabilities in Afghanistan; and

4 (2) the extent to which profits from illegal drug
 5 activity in Afghanistan fund terrorist organizations
 6 and support groups that seek to undermine the Gov-
 7 ernment of Afghanistan.

8 **SEC. 1057. HUMANE TREATMENT OF DETAINEES.**

9 (a) FINDINGS.—Congress makes the following find-
 10 ings:

11 (1) After World War II, the United States and
 12 its allies created a new international legal order
 13 based on respect for human rights. One of its funda-
 14 mental tenets was a universal prohibition on torture
 15 and ill treatment.

16 (2) On June 26, 2003, the International Day in
 17 Support of Victims of Torture, President George W.
 18 Bush stated, “The United States is committed to
 19 the world-wide elimination of torture and we are
 20 leading this fight by example. I call on all govern-
 21 ments to join with the United States and the com-
 22 munity of law-abiding nations in prohibiting, inves-
 23 tigating, and prosecuting all acts of torture and in
 24 undertaking to prevent other cruel and unusual pun-
 25 ishment.”.

1 (3) The United States is a party to the Geneva
 2 Conventions, which prohibit torture, cruel treatment,
 3 or outrages upon personal dignity, in particular,
 4 humiliating and degrading treatment, during armed
 5 conflict.

6 (4) The United States is a party to 2 treaties
 7 that prohibit torture and cruel, inhuman, or degrad-
 8 ing treatment or punishment, as follows:

9 (A) The International Covenant on Civil
 10 and Political Rights, done at New York Decem-
 11 ber 16, 1966.

12 (B) The Convention against Torture and
 13 Other Cruel, Inhuman or Degrading Treatment
 14 or Punishment, done at New York December
 15 10, 1984.

16 (5) The United States filed reservations to the
 17 treaties described in subparagraphs (A) and (B) of
 18 paragraph (4) stating that the United States con-
 19 siders itself bound to prevent “cruel, inhuman or de-
 20 grading treatment or punishment” to the extent that
 21 phrase means the cruel, unusual, and inhumane
 22 treatment or punishment prohibited by the 5th
 23 amendment, 8th amendment, or 14th amendment to
 24 the Constitution.

1 (6) Army Regulation 190-8 entitled “Enemy
2 Prisoners of War, Retained Personnel, Civilian In-
3 ternees and Other Detainees” provides that “Inhu-
4 mane treatment is a serious and punishable violation
5 under international law and the Uniform Code of
6 Military Justice (UCMJ)... All prisoners will re-
7 ceive humane treatment without regard to race, na-
8 tionality, religion, political opinion, sex, or other cri-
9 teria. The following acts are prohibited: murder, tor-
10 ture, corporal punishment, mutilation, the taking of
11 hostages, sensory deprivation, collective punish-
12 ments, execution without trial by proper authority,
13 and all cruel and degrading treatment... All per-
14 sons will be respected as human beings. They will be
15 protected against all acts of violence to include rape,
16 forced prostitution, assault and theft, insults, public
17 curiosity, bodily injury, and reprisals of any kind...
18 This list is not exclusive.”.

19 (7) The Field Manual on Intelligence Interroga-
20 tion of the Department of the Army states that
21 “acts of violence or intimidation, including physical
22 or mental torture, threats, insults, or exposure to in-
23 humane treatment as a means of or an aid to inter-
24 rogation” are “illegal”. Such Manual defines “inflic-
25 tion of pain through... bondage (other than legiti-

1 mate use of restraints to prevent escape)”, “forcing
 2 an individual to stand, sit, or kneel in abnormal po-
 3 sitions for prolonged periods of time”, “food depriva-
 4 tion”, and “any form of beating” as “physical tor-
 5 ture”, defines “abnormal sleep deprivation” as
 6 “mental torture”, and prohibits the use of such tac-
 7 tics under any circumstances.

8 (8) The Field Manual on Intelligence Interroga-
 9 tion of the Department of the Army states that
 10 “Use of torture and other illegal methods is a poor
 11 technique that yields unreliable results, may damage
 12 subsequent collection efforts, and can induce the
 13 source to say what he thinks the interrogator wants
 14 to hear. Revelation of use of torture by U.S. per-
 15 sonnel will bring discredit upon the U.S. and its
 16 armed forces while undermining domestic and inter-
 17 national support for the war effort. It may also place
 18 U.S. and allied personnel in enemy hands at a great-
 19 er risk of abuse by their captors.”.

20 (b) PROHIBITION ON TORTURE OR CRUEL, INHU-
 21 MAN, OR DEGRADING TREATMENT OR PUNISHMENT.—(1)
 22 No person in the custody or under the physical control
 23 of the United States shall be subject to torture or cruel,
 24 inhuman, or degrading treatment or punishment that is

1 prohibited by the Constitution, laws, or treaties of the
2 United States.

3 (2) Nothing in this section shall affect the status of
4 any person under the Geneva Conventions or whether any
5 person is entitled to the protections of the Geneva Conven-
6 tions.

7 (c) RULES, REGULATIONS, AND GUIDELINES.—(1)
8 Not later than 180 days after the date of enactment of
9 this Act, the Secretary shall prescribe the rules, regula-
10 tions, or guidelines necessary to ensure compliance with
11 the prohibition in subsection (b)(1) by the members of the
12 United States Armed Forces and by any person providing
13 services to the Department of Defense on a contract basis.

14 (2) The Secretary shall submit to the congressional
15 defense committees the rules, regulations, or guidelines
16 prescribed under paragraph (1), and any modifications to
17 such rules, regulations, or guidelines—

18 (A) not later than 30 days after the effective
19 date of such rules, regulations, guidelines, or modi-
20 fications; and

21 (B) in a manner and form that will protect the
22 national security interests of the United States.

23 (d) REPORT TO CONGRESS.—(1) The Secretary shall
24 submit, on a timely basis and not less than twice each
25 year, a report to Congress on the circumstances sur-

1 rounding any investigation of a possible violation of the
 2 prohibition in subsection (b)(1) by a member of the Armed
 3 Forces or by a person providing services to the Depart-
 4 ment of Defense on a contract basis.

5 (2) A report required under paragraph (1) shall be
 6 submitted in a manner and form that—

7 (A) will protect the national security interests
 8 of the United States; and

9 (B) will not prejudice any prosecution of an in-
 10 dividual involved in, or responsible for, a violation of
 11 the prohibition in subsection (b)(1).

12 (e) DEFINITIONS.—In this section:

13 (1) The term “cruel, inhuman, or degrading
 14 treatment or punishment” means the cruel, unusual,
 15 and inhumane treatment or punishment prohibited
 16 by the 5th amendment, 8th amendment, or 14th
 17 amendment to the Constitution.

18 (2) The term “Geneva Conventions” means—

19 (A) the Convention for the Amelioration of
 20 the Condition of the Wounded and Sick in
 21 Armed Forces in the Field, done at Geneva Au-

18 to or service on the Corporation.

19 **“§ 120110. Liability for acts of officers and agents**

20 “The corporation is liable for the acts of its officers
21 and agents acting within the scope of their authority.

22 **“§ 120111. Annual report**

23 “The corporation shall submit an annual report to
24 Congress on the activities of the corporation during the
25 preceding fiscal year. The report shall be submitted at the
26 same time as the report of the audit required by section

1 10101 of this title. The report may not be printed as a
2 public document.”.

3 (b) CLERICAL AMENDMENT.—The table of chapters
4 at the beginning of subtitle II of title 36, United States
5 Code, is amended by striking the item relating to chapter
6 1201 and inserting the following new item:

“1201. Korean War Veterans Association, Incorporated120101”.

7 **SEC. 1075. COORDINATION OF USERRA WITH THE INTER-**
8 **NAL REVENUE CODE OF 1986.**

9 (a) FINDINGS.—Congress makes the following find-
10 ings:

11 (1) Employers of reservists called up for active
12 duty are required to treat them as if they are on a
13 leave of absence or furlough under the Uniformed
14 Services Employment and Reemployment Rights Act
15 of 1994 (in this section referred to as “USERRA”).

16 (2) USERRA does not require employers to pay
17 reservists who are on active duty, but many employ-
18 ers pay the reservists the difference between their
19 military stipends and their regular salaries. Some
20 employers provide this “differential pay” for up to
21 3 years.

22 (3) For employee convenience, many of these
23 employers also allow deductions from the differential
24 payments for contributions to employer-provided re-
25 tirement savings plans.

1 (b) SENSE OF THE SENATE.—It is the sense of the
 2 Senate that the Internal Revenue Service should, to the
 3 extent it is able within its authority, provide guidance con-
 4 sistent with the goal of promoting and ensuring the valid-
 5 ity of voluntary differential pay arrangements, benefits
 6 payments, and contributions to retirement savings plans
 7 related thereto.

8 **SEC. 1076. AERIAL FIREFIGHTING EQUIPMENT.**

9 (a) FINDINGS.—Congress makes the following find-
 10 ings:

11 (1) The National Interagency Fire Center does
 12 not possess an adequate number of aircraft for use
 13 in aerial firefighting and personnel at the Center
 14 rely on military aircraft to provide such firefighting
 15 services.

16 (2) It is in the national security interest of the
 17 United States for the National Interagency Fire
 18 Center to purchase aircraft for use in aerial fire-
 19 fighting so that military aircraft used for aerial fire-
 20 fighting may be available for use by the Armed
 21 Forces.

22 (b) AUTHORITY TO PURCHASE AERIAL FIRE-
 23 FIGHTING EQUIPMENT.—(1) The Secretary of Agriculture
 24 is authorized to purchase 10 aircraft, as described in para-

1 graph (2), for the National Interagency Fire Center for
2 use in aerial firefighting.

3 (2) The aircraft referred to in paragraph (1) shall
4 be—

5 (A) aircraft that are specifically designed and
6 built for aerial firefighting;

7 (B) certified by the Administrator of the Fed-
8 eral Aviation Administration for use in aerial fire-
9 fighting; and

10 (C) manufactured in a manner that is con-
11 sistent with the recommendations for aircraft used
12 in aerial firefighting contained in—

13 (i) the Blue Ribbon Panel Report to the
14 Chief of the Forest Service and the Director of
15 the Bureau of Land Management dated Decem-
16 ber 2002; and

17 (ii) the Safety Recommendation of the
18 Chairman of the National Transportation Safe-
19 ty Board related to aircraft used in aerial fire-
20 fighting dated April 23, 2004.

21 (c) AUTHORIZATION OF APPROPRIATIONS.—There is
22 authorized to be appropriated to the Secretary of Agri-
23 culture for fiscal year 2005 such funds as may be nec-
24 essary to purchase the 10 aircraft described in subsection
25 (b).

1 **SEC. 1077. SENSE OF SENATE ON AMERICAN FORCES RADIO**
2 **AND TELEVISION SERVICE.**

3 (a) FINDINGS.—The Senate makes the following
4 findings:

5 (1) It is the mission of the American Forces
6 Radio and Television Service to provide United
7 States military commanders overseas and at sea
8 with a broadcast media resource to effectively com-
9 municate Department of Defense, Service-unique,
10 theater, and local command information to personnel
11 under their commands and to provide United States
12 military members, Department of Defense civilians,
13 and their families stationed outside the continental
14 United States and at sea with the same type and
15 quality of American radio and television news, infor-
16 mation, sports, and entertainment that would be
17 available to them if they were in the continental
18 United States.

19 (2) Key principles of American Forces Radio
20 and Television Service broadcasting policy, as out-
21 lined in Department of Defense Regulation
22 5120.20R, are to ensure political programming char-
23 acterized by fairness and balance and to provide a
24 free flow of political programming from United
25 States commercial and public networks without ma-
26 nipulation or censorship of any news content to the

1 men and women of the Armed Forces and their de-
2 pendants.

3 (3) The stated policy of the American Forces
4 Radio and Television Service is to select program-
5 ming that represents a cross-section of popular
6 American radio and television offerings and to emu-
7 late stateside scheduling and programming seen and
8 heard in the United States.

9 (4) It is the policy of American Forces Radio
10 and Television Service to select news and public af-
11 fairs programs for airing that provide balance and
12 diversity from available nationally recognized pro-
13 gram sources, including broadcast and cable net-
14 works, Headquarters, American Forces Radio and
15 Television Service, the military departments, and
16 other government or public service agencies.

17 (b) SENSE OF THE SENATE.—It is the sense of the
18 Senate that the mission statement and policies of the
19 American Forces Radio and Television Service appro-
20 priately state the goal of maintaining equal opportunity
21 balance with respect to political programming and that the
22 Secretary of Defense should therefore ensure that these
23 policies are fully being implemented by developing appro-
24 priate methods of oversight to ensure presentation of all
25 sides of important public questions with the fairness and

1 balance envisioned by the Department of Defense through-
2 out the American Forces Radio and Television Service sys-
3 tem.

4 **SEC. 1078. SENSE OF CONGRESS ON AMERICA'S NATIONAL**
5 **WORLD WAR I MUSEUM.**

6 (a) FINDINGS.—Congress makes the following find-
7 ings:

8 (1) The Liberty Memorial Museum in Kansas
9 City, Missouri, was built in 1926 in honor of those
10 individuals who served in World War I in defense of
11 liberty and the Nation.

12 (2) The Liberty Memorial Association, a non-
13 profit organization which originally built the Liberty
14 Memorial Museum, is responsible for the finances,
15 operations, and collections management of the Lib-
16 erty Memorial Museum.

17 (3) The Liberty Memorial Museum is the only
18 public museum in the Nation that exists for the ex-
19 clusive purpose of interpreting the experiences of the
20 United States and its allies in the World War I
21 years (1914–1918), both on the battlefield and on
22 the home front.

23 (4) The Liberty Memorial Museum project
24 began after the 1918 Armistice through the efforts
25 of a large-scale, grass-roots civic and fundraising ef-

1 fort by the citizens and veterans of the Kansas City
2 metropolitan area. After the conclusion of a national
3 architectural design competition, ground was broken
4 in 1921, construction began in 1923, and the Lib-
5 erty Memorial Museum was opened to the public in
6 1926.

7 (5) In 1994, the Liberty Memorial Museum
8 closed for a massive restoration and expansion
9 project. The restored museum reopened to the public
10 on Memorial Day, 2002, during a gala rededication
11 ceremony.

12 (6) Exhibits prepared for the original museum
13 buildings presaged the dramatic, underground ex-
14 pansion of core exhibition gallery space, with over
15 30,000 square feet of new interpretive and edu-
16 cational exhibits currently in development. The new
17 exhibits, along with an expanded research library
18 and archives, will more fully utilize the many thou-
19 sands of historical objects, books, maps, posters,
20 photographs, diaries, letters, and reminiscences of
21 World War I participants that are preserved for pos-
22 terity in the Liberty Memorial Museum's collections.
23 The new core exhibition is scheduled to open on Vet-
24 erans Day, 2006.

1 (7) The City of Kansas City, the State of Mis-
 2 souri, and thousands of private donors and philan-
 3 thropic foundations have contributed millions of dol-
 4 lars to build and later to restore this national treas-
 5 ure. The Liberty Memorial Museum continues to re-
 6 ceive the strong support of residents from the States
 7 of Missouri and Kansas and across the Nation.

8 (8) Since the restoration and rededication of
 9 2002, the Liberty Memorial Museum has attracted
 10 thousands of visitors from across the United States
 11 and many foreign countries.

12 (9) There remains a need to preserve in a mu-
 13 seum setting evidence of the honor, courage, patriot-
 14 ism, and sacrifice of those Americans who offered
 15 their services and who gave their lives in defense of
 16 liberty during World War I, evidence of the roles of
 17 women and African Americans during World War I,
 18 and evidence of other relevant subjects.

19 (10) The Liberty Memorial Museum seeks to
 20 educate a diverse group of audiences through its
 21 comprehensive collection of historical materials, em-
 22 phasizing eyewitness accounts of the participants on
 23 the battlefield and the home front and the impact of
 24 World War I on individuals, then and now. The Lib-

1 erty Memorial Museum continues to actively acquire
2 and preserve such materials.

3 (11) A great opportunity exists to use the in-
4 valuable resources of the Liberty Memorial Museum
5 to teach the “Lessons of Liberty” to the Nation’s
6 schoolchildren through on-site visits, classroom cur-
7 riculum development, distance learning, and other
8 educational initiatives.

9 (12) The Liberty Memorial Museum should al-
10 ways be the Nation’s museum of the national experi-
11 ence in the World War I years (1914–1918), where
12 people go to learn about this critical period and
13 where the Nation’s history of this monumental
14 struggle will be preserved so that generations of the
15 21st century may understand the role played by the
16 United States in the preservation and advancement
17 of democracy, freedom, and liberty in the early 20th
18 century.

19 (13) This initiative to recognize and preserve
20 the history of the Nation’s sacrifices in World War
21 I will take on added significance as the Nation ap-
22 proaches the centennial observance of this event.

23 (14) It is fitting and proper to refer to the Lib-
24 erty Memorial Museum as “America’s National
25 World War I Museum”.

1 (b) SENSE OF CONGRESS.—Congress—

2 (1) recognizes the Liberty Memorial Museum in
3 Kansas City, Missouri, including the museum’s fu-
4 ture and expanded exhibits, collections, library, ar-
5 chives, and educational programs, as “America’s Na-
6 tional World War I Museum”;

7 (2) recognizes that the continuing collection,
8 preservation, and interpretation of the historical ob-
9 jects and other historical materials held by the Lib-
10 erty Memorial Museum enhance the knowledge and
11 understanding of the Nation’s people of the Amer-
12 ican and allied experience during the World War I
13 years (1914–1918), both on the battlefield and on
14 the home front;

15 (3) commends the ongoing development and vis-
16 ibility of “Lessons of Liberty” educational outreach
17 programs for teachers and students throughout the
18 Nation; and

19 (4) encourages the need for present generations
20 to understand the magnitude of World War I, how
21 it shaped the Nation, other countries, and later
22 world events, and how the sacrifices made then
23 helped preserve liberty, democracy, and other found-
24 ing principles for generations to come.

9 commonwealths, territories, and possessions of the

11 **SEC. 1083. MENTOR-PROTEGE PILOT PROGRAM.**

12 Section 831(m)(2) of the National Defense Author-
13 ization Act for Fiscal Year 1991 (Public Law 101–510;
14 10 U.S.C. 2302 note) is amended—

15 (1) in subparagraph (D), by striking “or” at
16 the end;

17 (2) in subparagraph (E), by striking the period
18 at the end and inserting a semicolon; and

20 “(F) a small business concern owned and

22 fined in section 8(d)(3) of the Small Business
23 Act); and

1 “(G) a qualified HUBZone small business
 2 concern (as defined in section 3(p) of the Small
 3 Business Act).”.

4 **SEC. 1084. BROADCAST DECENCY ENFORCEMENT ACT OF**
 5 **2004.**

6 (a) **SHORT TITLE.**—This section may be cited as the
 7 “Broadcast Decency Enforcement Act of 2004”.

8 (b) **PURPOSE.**—The purpose of this section is to in-
 9 crease the Federal Communications Commission’s (FCC)
 10 authority to fine for indecent broadcasts and prevent fur-
 11 ther relaxation of the media ownership rules in order to
 12 stem the rise of indecent programming.

13 (c) **FINDINGS.**—The Congress makes the following
 14 findings:

15 (1) Since 1996 there has been significant con-
 16 solidation in the media industry, including:

17 (A) **RADIO.**—Clear Channel Communica-
 18 tions went from owning 43 radio stations prior
 19 to 1996 to over 1,200 as of January 2003; Cu-
 20 mulus Broadcasting, Inc. was established in
 21 1997 and owned 266 stations as of December
 22 2003, making it the second-largest radio owner-
 23 ship company in the country; and Infinity
 24 Broadcasting Corporation went from owning 43

1 radio stations prior to 1996 to over 185 sta-
2 tions as of June 2004;

3 (B) TELEVISION.—Viacom/CBS’s national
4 ownership of television stations increased from
5 31.53 percent of United States television house-
6 holds prior to 1996 to 38.9 percent in 2004;
7 GE/NBC’s national ownership of television sta-
8 tions increased from 24.65 percent prior to
9 1996 to 33.56 percent in 2004; News Corp./
10 Fox’s national ownership of television stations
11 increased from 22.05 percent prior to 1996 to
12 37.7 percent in 2004;

13 (C) MEDIA MERGERS.—In 2000, Viacom
14 merged with CBS and UPN; in 2002, GE/NBC
15 merged with Telemundo Communications, Inc.
16 and in 2004 with Vivendi Universal Entertain-
17 ment; in 2003 News Corp./Fox acquired a con-
18 trolling interest in DirecTV; in 2000, Time
19 Warner, Inc. merged with America Online.

20 (2) Over the same period that there has been
21 significant consolidation in the media industry, the
22 number of indecency complaints also has increased
23 dramatically. The largest owners of television and
24 radio broadcast holdings have received the greatest

1 number of indecency complaints and the largest
2 fines, including:

3 (A) Over 80 percent of the fines proposed
4 by the Federal Communications Commission for
5 indecent broadcasts were against stations
6 owned by two of the top three radio companies.
7 The top radio company alone accounts for over
8 two-thirds of the fines proposed by the FCC;

9 (B) Two of the largest fines proposed by
10 the FCC were against two of the top three
11 radio companies;

12 (C) In 2004, the FCC received over
13 500,000 indecency complaints in response to
14 the Superbowl Halftime show aired on CBS and
15 produced by MTV, both of which are owned by
16 Viacom. This is the largest number of com-
17 plaints ever received by the FCC for a single
18 broadcast;

19 (D) The number of indecency complaints
20 increased from 111 in 2000 to 240,350 in
21 2003;

22 (3) Media conglomerates do not consider or re-
23 flect local community standards.

24 (A) The FCC has no record of a television
25 station owned by one of the big four networks

1 (Viacom/CBS, Disney/ABC, News Corp./Fox or
2 GE/NBC) pre-empting national programming
3 for failing to meet community standards;

4 (B) FCC records show that non-network
5 owned stations have often rejected national net-
6 work programming found to be indecent and of-
7 fensive to local community standards;

8 (C) A letter from an owned and operated
9 station manager to a viewer stated that pro-
10 gramming decisions are made by network head-
11 quarters and not the local owned and operated
12 television station management;

13 (D) The Parents Television Council has
14 found that the “losers” of network ownership
15 “are the local communities whose standards of
16 decency are being ignored;”

17 (4) The Senate Commerce Committee has
18 found that the current fines do not deter indecent
19 broadcast because they are merely the cost of doing
20 business for large media companies. Therefore, in
21 order to prevent the continued rise of indecency vio-
22 lations, the FCC’s authority for indecency fines
23 should be increased and further media consolidation
24 should be prevented.

1 (d) INCREASE IN PENALTIES FOR OBSCENE, INDE-
 2 CENT, AND PROFANE BROADCAST.—Section 503(b)(2) of
 3 the Communications Act of 1934 (47 U.S.C. 503(b)(2))
 4 is amended.—

5 (1) by redesignating subparagraphs (C) and
 6 (D) as subparagraphs (D) and (E), respectively;

7 (2) by inserting after subparagraph (B) the fol-
 8 lowing new subparagraph:

9 “(C) Notwithstanding subparagraph (A), if the
 10 violator is—

11 “(i)(I) a broadcast station licensee or per-
 12 mittee; or

13 “(II) an applicant for any broadcast li-
 14 cense, permit, certificate, or other instrument
 15 or authorization issued by the Commission; and

16 “(ii) determined by the Commission under
 17 paragraph (1) to have broadcast obscene, inde-
 18 cent, or profane language, the amount of any
 19 forfeiture penalty determined under this sub-
 20 section shall not exceed \$275,000 for each vio-
 21 lation or each day of a continuing violation, ex-
 22 cept that the amount assessed for any con-
 23 tinuing violation shall not exceed a total of
 24 \$3,000,000 for any single act or failure to
 25 act.”; and

1 (3) in subparagraph (D), as redesignated by
 2 paragraph (1), by striking “subparagraph (A) or
 3 (B)” and inserting “subparagraph (A), (B), or (C)”.

4 (e) NEW BROADCAST MEDIA OWNERSHIP RULES
 5 SUSPENDED.—

6 (1) SUSPENSION.—Subject to the provisions of
 7 paragraphs(d)(2), the broadcast media ownership
 8 rules adopted by the Federal Communications Com-
 9 mission on June 2, 2003, pursuant to its proceeding
 10 on broadcast media ownership rules, Report and
 11 Order FCC–03–127, published at 68 FR 46286, Au-
 12 gust 5, 2003, shall be invalid and without legal ef-
 13 fect.

14 (2) CLARIFICATION.—The provisions of para-
 15 graph (1) shall not supersede the amendments made
 16 by section 629 of the Miscellaneous Appropriations
 17 and Offsets Act, 2004 (Public Law 108–199).

18 (f) ADDITIONAL FACTORS IN INDECENCY PEN-
 19 ALTIES; EXCEPTION.—Section 503(b)(2) of the Commu-
 20 nications Act of 1934 (47 U.S.C. 503(b)(2)), is further
 21 amended by adding at the end the following:

22 “(F) In the case of a violation in which the violator
 23 is determined by the Commission under paragraph (1) to
 24 have uttered obscene, indecent, or profane material, the
 25 Commission shall take into account, in addition to the

1 matters described in subparagraph (E), the following fac-
2 tors with respect to the degree of culpability of the viola-
3 tor:

4 “(i) Whether the material uttered by the viola-
5 tor was live or recorded, scripted or unscripted.

6 “(ii) Whether the violator had a reasonable op-
7 portunity to review recorded or scripted program-
8 ming or had a reasonable basis to believe live or
9 unscripted programming would contain obscene, in-
10 decent, or profane material.

11 “(iii) If the violator originated live or
12 unscripted programming, whether a time delay
13 blocking mechanism was implemented for the pro-
14 gramming.

15 “(iv) The size of the viewing or listening audi-
16 ence of the programming.

17 “(v) Whether the obscene incident or profane
18 language was within live programming not produced
19 by the station licensee or permittee.

20 “(vi) The size of the market.

21 “(vii) Whether the violation occurred during a
22 children’s television program (as such term is used
23 in the Children’s Television Programming Policy ref-
24 erenced in section 73.4050(c) of the Commission’s
25 regulations (47 C.F.R. 73.4050(c)) or during a tele-

1 vision program rated TVY, TVY7, TVY7FV, or
2 TVG under the TV Parental Guidelines as such rat-
3 ings were approved by the Commission in implemen-
4 tation of section 551 of the Telecommunications Act
5 of 1996, Video Programming Ratings, Report and
6 Order, CS Docket No. 97-55, 13 F.C.C. Red. 8232
7 (1998)), and, with respect to a radio broadcast sta-
8 tion licensee, permittee, or applicant, whether the
9 target audience was primarily comprised of, or
10 should reasonably have been expected to be primarily
11 comprised of, children.”

12 “(G) The Commission may double the amount of any
13 forfeiture penalty (not to exceed \$550,000 for the first vio-
14 lation, \$750,000 for the second violation, and \$1,000,000
15 for the third or any subsequent violation not to exceed up
16 to \$3,000,000 for all violations in a 24-hour time period
17 notwithstanding section 503(b)(2)(C)) if the Commission
18 determines additional factors are present which are aggra-
19 vating in nature, including—

20 “(i) whether the material uttered by the violator
21 was recorded or scripted;

22 “(ii) whether the violator had a reasonable op-
23 portunity to review recorded or scripted program-
24 ming or had a reasonable basis to believe live or

1 unscripted programming would contain obscene, in-
2 decent, or profane material;

3 “(iii) whether the violator failed to block live or
4 unscripted programming;

5 “(iv) whether the size of the viewing or listen-
6 ing audience of the programming was substantially
7 larger than usual, such as a national or international
8 championship sporting event or awards program;
9 and

10 “(v) whether the violation occurred during a
11 children’s television program (as defined in subpara-
12 graph (F) (vii)).”

13 **SEC. 1085. CHILDREN’S PROTECTION FROM VIOLENT PRO-**
14 **GRAMMING ACT.**

15 (a) **SHORT TITLE.**—This section may be cited as the
16 “Children’s Protection from Violent Programming Act”.

17 (b) **FINDINGS.**—The Congress makes the following
18 findings:

19 (1) Television influences children’s perception
20 of the values and behavior that are common and ac-
21 ceptable in society.

22 (2) Broadcast television, cable television, and
23 video programming are—

24 (A) uniquely pervasive presences in the
25 lives of all American children; and

1 (B) readily accessible to all American chil-
2 dren.

3 (3) Violent video programming influences chil-
4 dren, as does indecent programming.

5 (4) There is empirical evidence that children ex-
6 posed to violent video programming at a young age
7 have a higher tendency to engage in violent and ag-
8 gressive behavior later in life than those children not
9 so exposed.

10 (5) There is empirical evidence that children ex-
11 posed to violent video programming have a greater
12 tendency to assume that acts of violence are accept-
13 able behavior and therefore to imitate such behavior.

14 (6) There is empirical evidence that children ex-
15 posed to violent video programming have an in-
16 creased fear of becoming a victim of violence, result-
17 ing in increased self-protective behaviors and in-
18 creased mistrust of others.

19 (7) There is a compelling governmental interest
20 in limiting the negative influences of violent video
21 programming on children.

22 (8) There is a compelling governmental interest
23 in channeling programming with violent content to
24 periods of the day when children are not likely to

1 comprise a substantial portion of the television audi-
2 ence.

3 (9) A significant amount of violent program-
4 ming that is readily accessible to minors remains
5 unrated specifically for violence and therefore cannot
6 be blocked solely on the basis of its violent content.

7 (10) Age-based ratings that do not include con-
8 tent rating for violence do not allow parents to block
9 programming based solely on violent content thereby
10 rendering ineffective any technology-based blocking
11 mechanism designed to limit violent video program-
12 ming.

13 (11) The most recent study of the television
14 ratings system by the Kaiser Family Foundation
15 concludes that 79 percent of violent programming is
16 not specifically rated for violence.

17 (12) Technology-based solutions, such as the V-
18 chip, may be helpful in protecting some children, but
19 cannot achieve the compelling governmental interest
20 in protecting all children from violent programming
21 when parents are only able to block programming
22 that has, in fact, been rated for violence.

23 (13) Restricting the hours when violent pro-
24 gramming can be shown protects the interests of
25 children whose parents are unavailable, unable to su-

1 pervise their children’s viewing behavior, do not have
 2 the benefit of technology-based solutions, are unable
 3 to afford the costs of technology-based solutions, or
 4 are unable to determine the content of those shows
 5 that are only subject to age-based ratings.

6 (14) After further study, pursuant to a rule-
 7 making, the Federal Communications Commission
 8 may conclude that content-based ratings and block-
 9 ing technology do not effectively protect children
 10 from the harm of violent video programming.

11 (15) If the Federal Communications Commis-
 12 sion reaches the conclusion described in paragraph
 13 (14), the channeling of violent video programming
 14 will be the least restrictive means of limiting the ex-
 15 posure of children to the harmful influences of vio-
 16 lent video programming.

17 **SEC. 1086. ASSESSMENT OF EFFECTIVENESS OF CURRENT**
 18 **RATING SYSTEM FOR VIOLENCE AND EFFEC-**
 19 **TIVENESS OF V-CHIP IN BLOCKING VIOLENT**
 20 **PROGRAMMING.**

21 (a) REPORT.—The Federal Communications Com-
 22 mission shall—

23 (1) assess the effectiveness of measures to re-
 24 quire television broadcasters and multichannel video
 25 programming distributors (as defined in section

1 602(13) of the Communications Act of 1934 (47
2 U.S.C. 522(13)) to rate and encode programming
3 that could be blocked by parents using the V-chip
4 undertaken under section 715 of the Communica-
5 tions Act of 1934 (47 U.S.C. 715) and under sub-
6 sections (w) and (x) of section 303 of that Act (47
7 U.S.C. 303(w) and (x)) in accomplishing the pur-
8 poses for which they were enacted; and

9 (2) report its findings to the Committee on
10 Commerce, Science, and Transportation of the
11 United States Senate and the Committee on Energy
12 and Commerce of the United States House of Rep-
13 resentatives, within 12 months after the date of en-
14 actment of this Act, and annually thereafter.

15 (b) ACTION.—If the Commission finds at any time,
16 as a result of its ongoing assessment under subsection (a),
17 that the measures referred to in subsection (a)(1) are in-
18 sufficiently effective, then the Commission shall complete
19 a rulemaking within 270 days after the date on which the
20 Commission makes that finding to prohibit the distribu-
21 tion of violent video programming during the hours when
22 children are reasonably likely to comprise a substantial
23 portion of the audience.

24 (c) DEFINITIONS.—Any term used in this section
25 that is defined in section 715 of the Communications Act

1 of 1934 (47 U.S.C. 715), or in regulations under that sec-
 2 tion, has the same meaning as when used in that section
 3 or in those regulations.

4 **SEC. 1087. UNLAWFUL DISTRIBUTION OF VIOLENT VIDEO**
 5 **PROGRAMMING THAT IS NOT SPECIFICALLY**
 6 **RATED FOR VIOLENCE AND THEREFORE IS**
 7 **NOT BLOCKABLE.**

8 Title VII of the Communications Act of 1934 (47
 9 U.S.C. 701 et seq.) is amended by adding at the end the
 10 following:

11 **“SEC. 715. UNLAWFUL DISTRIBUTION OF VIOLENT VIDEO**
 12 **PROGRAMMING NOT SPECIFICALLY**
 13 **BLOCKABLE BY ELECTRONIC MEANS.**

14 “(a) UNLAWFUL DISTRIBUTION.—It shall be unlaw-
 15 ful for any person to distribute to the public any violent
 16 video programming not blockable by electronic means spe-
 17 cifically on the basis of its violent content during hours
 18 when children are reasonably likely to comprise a substan-
 19 tial portion of the audience.

20 “(b) RULEMAKING PROCEEDING.—The Commission
 21 shall conduct a rulemaking proceeding to implement the
 22 provisions of this section and shall promulgate final regu-
 23 lations pursuant to that proceeding not later than 9
 24 months after the date of enactment of the Children’s Pro-

1 tection from Violent Programming Act. As part of that
 2 proceeding, the Commission—

3 “(1) may exempt from the prohibition under
 4 subsection (a) programming (including news pro-
 5 grams and sporting events) whose distribution does
 6 not conflict with the objective of protecting children
 7 from the negative influences of violent video pro-
 8 gramming, as that objective is reflected in the find-
 9 ings in section 551(a) of the Telecommunications
 10 Act of 1996;

11 “(2) shall exempt premium and pay-per-view
 12 cable programming and premium and pay-per-view
 13 direct-to-home satellite programming; and

14 “(3) shall define the term ‘hours when children
 15 are reasonably likely to comprise a substantial por-
 16 tion of the audience’ and the term ‘violent video pro-
 17 gramming’.

18 “(c) ENFORCEMENT.—

19 “(1) FORFEITURE PENALTY.—The forfeiture
 20 penalties established by section 503(b) for violations
 21 of section 1464 of title 18, United States Code, shall
 22 apply to a violation of this section, or any regulation
 23 promulgated under it in the same manner as if a
 24 violation of this section, or such a regulation, were

1 a violation of law subject to a forfeiture penalty
 2 under that section.

3 “(2) LICENSE REVOCATION.—If a person re-
 4 peatedly violates this section or any regulation pro-
 5 mulgated under this section, the Commission shall,
 6 after notice and opportunity for hearing, revoke any
 7 license issued to that person under this Act.

8 “(3) LICENSE RENEWALS.—The Commission
 9 shall consider, among the elements in its review of
 10 an application for renewal of a license under this
 11 Act, whether the licensee has complied with this sec-
 12 tion and the regulations promulgated under this sec-
 13 tion.

14 “(d) DEFINITIONS.—For purposes of this section—

15 “(1) BLOCKABLE BY ELECTRONIC MEANS.—
 16 The term ‘blockable by electronic means’ means
 17 blockable by the feature described in section 303(x).

18 “(2) DISTRIBUTE.—The term ‘distribute’
 19 means to send, transmit, retransmit, telecast, broad-
 20 cast, or cablecast, including by wire, microwave, or
 21 satellite, but it does not include the transmission, re-
 22 transmission, or receipt of any voice, data, graphics,
 23 or video telecommunications accessed through an
 24 interactive computer service as defined in section
 25 230(f)(2) of the Communications Act of 1934 (47

1 U.S.C. 230(f)(2)), which is not originated or trans-
 2 mitted in the ordinary course of business by a tele-
 3 vision broadcast station or multichannel video pro-
 4 gramming distributor as defined in section 602(13)
 5 of that Act (47 U.S.C. 522(13)).

6 “(3) VIOLENT VIDEO PROGRAMMING.—The
 7 term ‘violent video programming’ as defined by the
 8 Commission may include matter that is excessive or
 9 gratuitous violence within the meaning of the 1992
 10 Broadcast Standards for the Depiction of Violence
 11 in Television Programs, December 1992.”.

12 **SEC. 1088. SEPARABILITY.**

13 If any provision of this title, or any provision of an
 14 amendment made by this title, or the application thereof
 15 to particular persons or circumstances, is found to be un-
 16 constitutional, the remainder of this title or that amend-
 17 ment, or the application thereof to other persons or cir-
 18 cumstances shall not be affected.

19 **SEC. 1089. EFFECTIVE DATE.**

20 The prohibition contained in section 715 of the Com-
 21 munications Act of 1934 (as added by section 204 of this
 22 title) and the regulations promulgated thereunder shall
 23 take effect 1 year after the regulations are adopted by the
 24 Commission.

6 nity.

7 (b) OBJECTIVE OF PROGRAM.—The objective of the
8 pilot program is to increase the number of qualified entry-
9 level language analysts and intelligence analysts available
10 to the National Security Agency and the other elements
11 of the intelligence community through the directed prepa-
12 ration and recruitment of qualified entry-level language
13 analysts and intelligence analysts who commit to a period
14 of service or a career in the intelligence community.

15 (c) PROGRAM SCOPE.—The pilot program shall be
16 national in scope.

23 (2) Each individual who receives financial assistance
24 under the pilot program shall perform one year of obli-
25 gated service with the National Security Agency, or an-

8 gram at any one time may not exceed 400 individuals.

9 (e) PROGRAM MANAGEMENT.—In carrying out the
10 pilot program, the Director shall—

11 (1) identify individuals interested in working in
12 the intelligence community, and committed to taking
13 college-level courses that will better prepare them for
14 a career in the intelligence community as a language
15 analysts or intelligence analyst;

16 (2) provide each individual selected for partici-
17 pation in the pilot program—

18 (A) financial assistance for the pursuit of
19 courses at institutions of higher education se-
20 lected by the Director in fields of study that
21 will qualify such individual for employment by
22 an element of the intelligence community as a
23 language analyst or intelligence analyst; and

24 (B) educational counseling on the selection
25 of courses to be so pursued; and

1 (3) provide each individual so selected informa-
2 tion on the opportunities available for employment in
3 the intelligence community.

4 (f) DURATION OF PROGRAM.—(1) The Director shall
5 terminate the pilot program not later than six years after
6 the date of the enactment of this Act.

7 (2) The termination of the pilot program under para-
8 graph (1) shall not prevent the Director from continuing
9 to provide assistance, counseling, and information under
10 subsection (e) to individuals who are participating in the
11 pilot program on the date of termination of the pilot pro-
12 gram throughout the academic year in progress as of that
13 date.

14 **SEC. 1091. ENERGY SAVINGS PERFORMANCE CONTRACTS.**

15 (a) IN GENERAL.—Section 801(c) of the National
16 Energy Conservation Policy Act (42 U.S.C. 8287(c)) is

18 (b) PAYMENT OF COSTS.—Section 802 of the Na-
19 tional Energy Conservation Policy Act (42 U.S.C. 8287a)
20 is amended by inserting “, water, or wastewater treat-
21 ment” after “payment of energy”.

22 (c) ENERGY SAVINGS.—Section 804(2) of the Na-

 5 isting federally owned building or buildings or other
 6 federally owned facilities as a result of—

7 “(A) the lease or purchase of operating
 8 equipment, improvements, altered operation and
 9 maintenance, or technical services;

10 “(B) the increased efficient use of existing
 11 energy sources by cogeneration or heat recov-
 12 ery, excluding any cogeneration process for
 13 other than a federally owned building or build-
 14 ings or other federally owned facilities; or

15 “(C) the increased efficient use of existing
 16 water sources in either interior or exterior ap-
 17 plications.”.

21 “(3) The terms ‘energy savings contract’ and
 22 ‘energy savings performance contract’ mean a con-

 25 where appropriate, operation, maintenance, and re-

1 pair, of an identified energy or water conservation
 2 measure or series of measures at 1 or more loca-
 3 tions. Such contracts shall, with respect to an agen-
 4 cy facility that is a public building (as such term is
 5 defined in section 3301 of title 40, United States

 18 improves the efficiency of water use, is life-cycle
 19 cost-effective, and involves water conservation,
 20 water recycling or reuse, more efficient treat-
 21 ment of wastewater or stormwater, improve-
 22 ments in operation or maintenance efficiencies,
 23 retrofit activities, or other related activities, not
 24 at a Federal hydroelectric facility.”.

1 (f) REVIEW.—Not later than 180 days after the date
2 of the enactment of this Act, the Secretary of Energy shall
3 complete a review of the Energy Savings Performance
4 Contract program to identify statutory, regulatory, and
5 administrative obstacles that prevent Federal agencies
6 from fully utilizing the program. In addition, this review
7 shall identify all areas for increasing program flexibility
8 and effectiveness, including audit and measurement
9 verification requirements, accounting for energy use in de-
10 termining savings, contracting requirements, including the

12 ergy efficiency services covered. The Secretary shall report
13 these findings to Congress and shall implement identified
14 administrative and regulatory changes to increase pro-
15 gram flexibility and effectiveness to the extent that such
16 changes are consistent with statutory authority.

17 (g) EXTENSION OF AUTHORITY.—Any energy sav-
18 ings performance contract entered into under section 801
19 of the National Energy Conservation Policy Act (42
20 U.S.C. 8287) after October 1, 2003, and before the date

 6 curity of the United States, and global market share
 7 of United States companies.”.

14 ests of the United States.

15 (4) A discharge in bankruptcy under title 11, United
16 States Code, that is entered less than five years after the
17 termination of an agreement under this section does not

24 rates of pay provided in subpart D of part III of title 5
25 for positions subject to that subpart which have cor-

1 responding levels of duties and responsibilities” and in-
 2 serting “in relation to the rates of pay provided for com-
 3 parable positions in the Department of Defense, including

13 **SEC. 1108. REPORT ON HOW TO RECRUIT AND RETAIN INDIV-**
14 **VIDUALS WITH FOREIGN LANGUAGE SKILLS.**

15 (a) FINDINGS.—Congress makes the following find-
16 ings:

17 (1) The Federal Government has a requirement
18 to ensure that the employees of its departments and
19 agencies with national security responsibilities are
20 prepared to meet the challenges of this evolving
21 international environment.

22 (2) According to a 2002 General Accounting
23 Office report, Federal agencies have shortages in
24 translators and interpreters and an overall shortfall
25 in the language proficiency levels needed to carry

1 out their missions which has adversely affected agen-
2 cy operations and hindered United States military,
3 law enforcement, intelligence, counterterrorism, and
4 diplomatic efforts.

5 (3) Foreign language skills and area expertise
6 are integral to, or directly support, every foreign in-
7 telligence discipline and are essential factors in na-
8 tional security readiness, information superiority,
9 and coalition peacekeeping or warfighting missions.

10 (4) Communicating in languages other than
11 English and understanding and accepting cultural
12 and societal differences are vital to the success of
13 peacetime and wartime military and intelligence ac-
14 tivities.

15 (5) Proficiency levels required for foreign lan-
16 guage support to national security functions have
17 been raised, and what was once considered pro-
18 ficiency is no longer the case. The ability to com-
19 prehend and articulate technical and complex infor-
20 mation in foreign languages has become critical.

21 (6) According to the Joint Intelligence Com-
22 mittee Inquiry into the 9/11 Terrorist Attacks, the
23 Intelligence Community had insufficient linguists
24 prior to September 11, 2001, to handle the challenge
25 it faced in translating the volumes of foreign lan-

1 guage counterterrorism intelligence it collected.
2 Agencies within the Intelligence Community experi-
3 enced backlogs in material awaiting translation, a
4 shortage of language specialists and language-quali-
5 fied field officers, and a readiness level of only 30
6 percent in the most critical terrorism-related lan-
7 guages that are used by terrorists.

8 (7) Because of this shortage, the Federal Gov-
9 ernment has had to enter into private contracts to
10 procure linguist and translator services, including in
11 some positions that would be more appropriately
12 filled by permanent Federal employees or members
13 of the United States Armed Forces.

14 (b) REPORT.—In its fiscal year 2006 budget request,
15 the Secretary of Defense shall submit to the Committees
16 on Armed Services of the Senate and the House of Rep-
17 resentatives and the Select Committee on Intelligence of
18 the Senate and the Permanent Select Committee on Intel-
19 ligence of the House of Representatives, a plan for ex-
20 panding and improving the national security foreign lan-
21 guage workforce of the Department of Defense as appro-
22 priate to improve recruitment and retention to meet the
23 requirements of the Department for its foreign language
24 workforce on a short-term basis and on a long-term basis.

 23 42 U.S.C. 7384 et seq.).

24 (2) The establishment of a permanent resource
 25 center in western New York would represent a sub-
 26 stantial step toward improving services under the

1 Energy Employees Occupational Illness Compensa-
2 tion Program for energy employees in this region.

3 (3) The number of claims submitted to the De-
4 partment under subtitle B of the Energy Employees
5 Occupational Illness Compensation Program Act of
6 2000 from the western New York region, including
7 western Pennsylvania, exceeds the number of such
8 claims filed at resource centers in Hanford, Wash-
9 ington, Portsmouth, Ohio, Los Alamos, New Mexico,
10 the Nevada Test Site, Nevada, the Rocky Flats En-
11 vironmental Technology Site, Colorado, the Idaho
12 National Engineering Laboratory, Idaho, and the
13 Amchitka Test Site, Alaska.

14 (4) Energy employees in the western New York
15 region, including western Pennsylvania, deserve as-
16 sistance under subtitle B of the Energy Employees
17 Occupational Illness Compensation Program Act of
18 2000 commensurate with the assistance provided en-
19 ergy employees at other locations in the United
20 States.

21 (b) SENSE OF SENATE.—It is the sense of the Senate
22 to encourage the Office of Ombudsman of the Department
23 of Labor, as established by section 3669 of the Energy
24 Employees Occupational Illness Compensation Program

1 Act of 2000 (as amended by section 3163 of this Act),
2 to—

3 (1) review the availability of assistance under
4 subtitle B of the Energy Employees Occupational
5 Illness Compensation Program Act of 2000 for en-
6 ergy employees in the western New York region, in-
7 cluding western Pennsylvania; and

8 (2) recommend a location in that region for a
9 resource center to provide such assistance to such
10 energy employees.

12 **IGNATED BY PRESIDENT AS MEMBERS OF CO-**
13 **HORT.**

14 Section 3621(14)(C)(ii) of that Act (42 U.S.C. 10
15 7384l(14)(C)(ii)) is amended by striking “180 days” and
16 inserting “60 days.”

17 **SEC. 3157. INCLUSION OF CERTAIN FORMER NUCLEAR**
18 **WEAPONS PROGRAM WORKERS IN SPECIAL**
19 **EXPOSURE COHORT UNDER THE ENERGY EM-**
20 **PLOYEES OCCUPATIONAL ILLNESS COM-**
21 **PENSATION PROGRAM.**

22 (a) FINDINGS.—Congress makes the following find-
23 ings:

24 (1) Energy workers at the former Mallinkrodt
25 facilities (including the St. Louis downtown facility

1 and the Weldon Springs facility) were exposed to
2 levels of radionuclides and radioactive materials that
3 were much greater than the current maximum allow-
4 able Federal standards.

5 (2) The Mallinkrodt workers at the St. Louis
6 site were exposed to excessive levels of airborne ura-
7 nium dust relative to the standards in effect during
8 the time, and many workers were exposed to 200
9 times the preferred levels of exposure.

10 (3)(A) The chief safety officer for the Atomic
11 Energy Commission during the Mallinkrodt-St.
12 Louis operations described the facility as 1 of the 2
13 worst plants with respect to worker exposures.

14 (B) Workers were excreting in excess of a milli-
15 gram of uranium per day causing kidney damage.

16 (C) A recent epidemiological study found excess
17 levels of nephritis and kidney cancer from inhalation
18 of uranium dusts.

19 (4) The Department of Energy has admitted
20 that those Mallinkrodt workers were subjected to
21 risks and had their health endangered as a result of
22 working with these highly radioactive materials.

23 (5) The Department of Energy reported that
24 workers at the Weldon Springs feed materials plant

1 handled plutonium and recycled uranium, which are
2 highly radioactive.

3 (6) The National Institute of Occupational
4 Safety and Health admits that—

5 (A) the operations at the St. Louis down-
6 town site consisted of intense periods of proc-
7 essing extremely high levels of radionuclides;
8 and

9 (B) the Institute has virtually no personal
10 monitoring data for Mallinkrodt workers prior
11 to 1948.

12 (7) The National Institute of Occupational
13 Safety and Health has informed claimants and their
14 survivors at those 3 Mallinkrodt sites that if they
15 are not interviewed as a part of the dose reconstruc-
16 tion process, it—

17 (A) would hinder the ability of the Insti-
18 tute to conduct dose reconstruction for the
19 claimant; and

20 (B) may result in a dose reconstruction
21 that incompletely or inaccurately estimates the
22 radiation dose to which the energy employee
23 named in the claim had been exposed.

24 (8) Energy workers at the Iowa Army Ammuni-
25 tion Plant (also known as the Burlington Atomic

1 Energy Commission Plant and the Iowa Ordnance
2 Plant) between 1947 and 1975 were exposed to lev-
3 els of radionuclides and radioactive material, includ-
4 ing enriched uranium, plutonium, tritium, and de-
5 pleted uranium, in addition to beryllium and photon
6 radiation, that are greater than the current max-
7 imum Federal standards for exposure.

8 (9) According to the National Institute of Occu-
9 pational Safety and Health—

10 (A) between 1947 and 1975, no records,
11 including bioassays or air samples, have been
12 located that indicate any monitoring occurred of
13 internal doses of radiation to which workers de-
14 scribed in paragraph (8) were exposed;

15 (B) between 1947 and 1955, no records,
16 including dosimetry badges, have been located
17 to indicate that any monitoring occurred of the
18 external doses of radiation to which such work-
19 ers were exposed;

20 (C) between 1955 and 1962, records indi-
21 cate that only 8 to 23 workers in a workforce
22 of over 1,000 were monitored for external radi-
23 ation doses; and

24 (D) between 1970 and 1975, the high
25 point of screening at the Iowa Army Ammuni-

1 tion Plant, only 25 percent of the workforce
2 was screened for exposure to external radiation.

3 (10) The Department of Health and Human
4 Services published the first notice of proposed rule-
5 making concerning the Special Exposure Cohort on
6 June 25, 2002, and the final rule published on May
7 26, 2004.

8 (11) Many of those former workers have died
9 while waiting for the proposed rule to be finalized,
10 including some claimants who were waiting for dose
11 reconstruction to be completed.

12 (12) Because of the aforementioned reasons, in-
13 cluding the serious lack of records and the death of
14 many potential claimants, it is not feasible to con-
15 duct valid dose reconstructions for the Iowa Army
16 Ammunition Plant facility or the Mallinkrodt facili-
17 ties.

18 (b) INCLUSION OF CERTAIN FORMER WORKERS IN
19 COHORT.—Section 3621(14) of the Energy Employees
20 Occupational Illness Compensation Program Act of 2000
21 (title XXXVI of the Floyd D. Spence National Defense
22 Authorization Act for Fiscal Year 2001 (as enacted into
23 law by Public Law 106–398); 42 U.S.C. 7384(14)) is
24 amended—

1 (1) by redesignating subparagraph (C) as sub-
2 paragraph (D); and

3 (2) by inserting after subparagraph (B) the fol-
4 lowing new subparagraph (C):

5 “(C) Subject to the provisions of section
6 3612A and section 3146(e) of the National De-
7 fense Authorization Act for Fiscal Year 2005,
8 the employee was so employed for a number of
9 work days aggregating at least 45 workdays at
10 a facility operated under contract to the De-
11 partment of Energy by Mallinkrodt Incor-
12 porated or its successors (including the St.
13 Louis downtown or ‘Destrehan’ facility during
14 any of calendar years 1942 through 1958 and
15 the Weldon Springs feed materials plant facility
16 during any of calendar years 1958 through
17 1966), or at a facility operated by the Depart-
18 ment of Energy or under contract by Mason &
19 Hangar-Silas Mason Company at the Iowa
20 Army Ammunition Plant (also known as the
21 Burlington Atomic Energy Commission Plant
22 and the Iowa Ordnance Plant) during any of
23 the calendar years 1947 through 1975, and
24 during the employment—

1 “(i)(I) was monitored through the use
2 of dosimetry badges for exposure at the
3 plant of the external parts of an employ-
4 ee’s body to radiation; or

5 “(II) was monitored through the use
6 of bioassays, in vivo monitoring, or breath
7 samples for exposure at the plant to inter-
8 nal radiation; or

9 “(ii) worked in a job that had expo-
10 sures comparable to a job that is mon-
11 itored, or should have been monitored,
12 under standards of the Department of En-
13 ergy in effect on the date of enactment of
14 this subparagraph through the use of do-
15 simetry badges for monitoring external ra-
16 diation exposures, or bioassays, in vivo
17 monitoring, or breath samples for internal
18 radiation exposures, at a facility.”.

19 (c) FUNDING OF COMPENSATION AND BENEFITS.—
20 (1) Such Act is further amended by inserting after section
21 3612 the following new section:

1 **“SEC. 3612A. FUNDING FOR COMPENSATION AND BENEFITS**
2 **FOR CERTAIN MEMBERS OF THE SPECIAL EX-**
3 **POSURE COHORT.**

4 “(a) AUTHORIZATION OF APPROPRIATIONS.—There
5 is hereby authorized to be appropriated to the Department
6 of Labor for each fiscal year after fiscal year 2004 such
7 sums as may be necessary for the provision of compensa-
8 tion and benefits under the compensation program for
9 members of the Special Exposure Cohort described in sec-
10 tion 3621(14)(C) in such fiscal year.

11 “(b) PROHIBITION ON USE FOR ADMINISTRATIVE
12 COSTS.—(1) No amount authorized to be appropriated by
13 subsection (a) may be utilized for purposes of carrying out
14 the compensation program for the members of the Special
15 Exposure Cohort referred to in that subsection or admin-
16 istering the amount authorized to be appropriated by sub-
17 section (a).

18 “(2) Amounts for purposes described in paragraph
19 (1) shall be derived from amounts authorized to be appro-
20 priated by section 3614(a).

21 “(c) PROVISION OF COMPENSATION AND BENEFITS
22 SUBJECT TO APPROPRIATIONS ACTS.—The provision of
23 compensation and benefits under the compensation pro-
24 gram for members of the Special Exposure Cohort re-
25 ferred to in subsection (a) in any fiscal year shall be sub-
26 ject to the availability of appropriations for that purpose

1 for such fiscal year and to applicable provisions of appro-
2 priations Acts.”.

3 (2) Section 3612(d) of such Act (42 U.S.C. 7384e(d))
4 is amended—

5 (A) by inserting “(1)” before “Subject”; and

6 (B) by adding at the end the following new
7 paragraph:

8 “(2) Amounts for the provision of compensation and
9 benefits under the compensation program for members of
10 the Special Exposure Cohort described in section
11 3621(14)(C) may be derived from amounts authorized to
12 be appropriated by section 3612A(a).”.

13 (d) OFFSET.—The total amount authorized to be ap-
14 propriated under subtitle A of this title is hereby reduced
15 by \$61,000,000.

16 (e) CERTIFICATION.—Funds shall be available to pay
17 claims approved by the National Institute of Occupational
18 Safety and Health for a facility by reason of section
19 3621(14)(C) of the Energy Employees Occupational Ill-
20 ness Compensation Program Act of 2000, as amended by
21 subsection (b)(2), if the Director of the National Institute
22 of Occupational Safety and Health certifies with respect
23 to such facility each of the following:

24 (1) That no atomic weapons work or related
25 work has been conducted at such facility after 1976.

1 (2) That fewer than 50 percent of the total
 2 number of workers engaged in atomic weapons work
 3 or related work at such facility were accurately mon-
 4 itored for exposure to internal and external ionizing
 5 radiation during the term of their employment.

6 (3) That individual internal and external expo-
 7 sure records for employees at such facility are not
 8 available, or the exposure to radiation of at least 40
 9 percent of the exposed workers at such facility can-
 10 not be determined from the individual internal and
 11 external exposure records that are available.

12 (f) SENSE OF THE SENATE.—It is the sense of the
 13 Senate that all employees who are eligible to apply for ben-
 14 efits under the compensation program established by the
 15 Energy Employees Occupational Illness Compensation Act
 16 should be treated fairly and equitably with regard to inclu-
 17 sion under the special exposure cohort provisions of this
 18 Act.

1 **TITLE XXXIV—LOCAL LAW EN-**
2 **FORCEMENT ENHANCEMENT**
3 **ACT.**

4 **SEC. 3401. SHORT TITLE.**

5 This title may be cited as the “Local Law Enforce-
6 ment Enhancement Act of 2004”.

7 **SEC. 3402. FINDINGS.**

8 Congress makes the following findings:

9 (1) The incidence of violence motivated by the
10 actual or perceived race, color, religion, national ori-
11 gin, gender, sexual orientation, or disability of the
12 victim poses a serious national problem.

13 (2) Such violence disrupts the tranquility and
14 safety of communities and is deeply divisive.

15 (3) State and local authorities are now and will
16 continue to be responsible for prosecuting the over-
17 whelming majority of violent crimes in the United
18 States, including violent crimes motivated by bias.
19 These authorities can carry out their responsibilities
20 more effectively with greater Federal assistance.

21 (4) Existing Federal law is inadequate to ad-
22 dress this problem.

23 (5) The prominent characteristic of a violent
24 crime motivated by bias is that it devastates not just
25 the actual victim and the family and friends of the

1 victim, but frequently savages the community shar-
 2 ing the traits that caused the victim to be selected.

3 (6) Such violence substantially affects interstate
 4 commerce in many ways, including—

5 (A) by impeding the movement of members
 6 of targeted groups and forcing such members to
 7 move across State lines to escape the incidence
 8 or risk of such violence; and

9 (B) by preventing members of targeted
 10 groups from purchasing goods and services, ob-
 11 taining or sustaining employment, or partici-
 12 pating in other commercial activity.

13 (7) Perpetrators cross State lines to commit
 14 such violence.

15 (8) Channels, facilities, and instrumentalities of
 16 interstate commerce are used to facilitate the com-
 17 mission of such violence.

18 (9) Such violence is committed using articles
 19 that have traveled in interstate commerce.

20 (10) For generations, the institutions of slavery
 21 and involuntary servitude were defined by the race,
 22 color, and ancestry of those held in bondage. Slavery
 23 and involuntary servitude were enforced, both prior
 24 to and after the adoption of the 13th amendment to
 25 the Constitution of the United States, through wide-

1 spread public and private violence directed at per-
 2 sons because of their race, color, or ancestry, or per-
 3 ceived race, color, or ancestry. Accordingly, elimi-
 4 nating racially motivated violence is an important
 5 means of eliminating, to the extent possible, the
 6 badges, incidents, and relics of slavery and involun-
 7 tary servitude.

8 (11) Both at the time when the 13th, 14th, and
 9 15th amendments to the Constitution of the United
 10 States were adopted, and continuing to date, mem-
 11 bers of certain religious and national origin groups
 12 were and are perceived to be distinct “races”. Thus,
 13 in order to eliminate, to the extent possible, the
 14 badges, incidents, and relics of slavery, it is nec-
 15 essary to prohibit assaults on the basis of real or
 16 perceived religions or national origins, at least to the
 17 extent such religions or national origins were re-
 18 garded as races at the time of the adoption of the
 19 13th, 14th, and 15th amendments to the Constitu-
 20 tion of the United States.

21 (12) Federal jurisdiction over certain violent
 22 crimes motivated by bias enables Federal, State, and
 23 local authorities to work together as partners in the
 24 investigation and prosecution of such crimes.

1 (13) The problem of crimes motivated by bias
 2 is sufficiently serious, widespread, and interstate in
 3 nature as to warrant Federal assistance to States
 4 and local jurisdictions.

5 **SEC. 3403. DEFINITION OF HATE CRIME.**

6 In this title, the term “hate crime” has the same
 7 meaning as in section 280003(a) of the Violent Crime
 8 Control and Law Enforcement Act of 1994 (28 U.S.C.
 9 994 note).

10 **SEC. 3404. SUPPORT FOR CRIMINAL INVESTIGATIONS AND**
 11 **PROSECUTIONS BY STATE AND LOCAL LAW**
 12 **ENFORCEMENT OFFICIALS.**

13 (a) ASSISTANCE OTHER THAN FINANCIAL ASSIST-
 14 ANCE.—

15 (1) IN GENERAL.—At the request of a law en-
 16 forcement official of a State or Indian tribe, the At-
 17 torney General may provide technical, forensic, pros-
 18 ecutorial, or any other form of assistance in the
 19 criminal investigation or prosecution of any crime
 20 that—

21 (A) constitutes a crime of violence (as de-
 22 fined in section 16 of title 18, United States
 23 Code);

24 (B) constitutes a felony under the laws of
 25 the State or Indian tribe; and

1 (C) is motivated by prejudice based on the
 2 race, color, religion, national origin, gender,
 3 sexual orientation, or disability of the victim, or
 4 is a violation of the hate crime laws of the State
 5 or Indian tribe.

6 (2) PRIORITY.—In providing assistance under
 7 paragraph (1), the Attorney General shall give pri-
 8 ority to crimes committed by offenders who have
 9 committed crimes in more than 1 State and to rural
 10 jurisdictions that have difficulty covering the ex-
 11 traordinary expenses relating to the investigation or
 12 prosecution of the crime.

13 (b) GRANTS.—

14 (1) IN GENERAL.—The Attorney General may
 15 award grants to assist State, local, and Indian law
 16 enforcement officials with the extraordinary expenses
 17 associated with the investigation and prosecution of
 18 hate crimes.

19 (2) OFFICE OF JUSTICE PROGRAMS.—In imple-
 20 menting the grant program, the Office of Justice
 21 Programs shall work closely with the funded juris-
 22 dictions to ensure that the concerns and needs of all
 23 affected parties, including community groups and
 24 schools, colleges, and universities, are addressed

1 through the local infrastructure developed under the
 2 grants.

3 (3) APPLICATION.—

4 (A) IN GENERAL.—Each State that desires
 5 a grant under this subsection shall submit an
 6 application to the Attorney General at such

 8 containing such information as the Attorney
 9 General shall reasonably require.

10 (B) DATE FOR SUBMISSION.—Applications
 11 submitted pursuant to subparagraph (A) shall
 12 be submitted during the 60-day period begin-
 13 ning on a date that the Attorney General shall
 14 prescribe.

15 (C) REQUIREMENTS.—A State or political
 16 subdivision of a State or tribal official applying
 17 for assistance under this subsection shall—

18 (i) describe the extraordinary pur-
 19 poses for which the grant is needed;

20 (ii) certify that the State, political
 21 subdivision, or Indian tribe lacks the re-
 22 sources necessary to investigate or pros-
 23 ecute the hate crime;

24 (iii) demonstrate that, in developing a
 25 plan to implement the grant, the State, po-

1 litical subdivision, or tribal official has con-
2 sulted and coordinated with nonprofit, non-
3 governmental victim services programs
4 that have experience in providing services
5 to victims of hate crimes; and

6 (iv) certify that any Federal funds re-
7 ceived under this subsection will be used to
8 supplement, not supplant, non-Federal
9 funds that would otherwise be available for
10 activities funded under this subsection.

11 (4) DEADLINE.—An application for a grant
12 under this subsection shall be approved or dis-
13 approved by the Attorney General not later than 30
14 business days after the date on which the Attorney
15 General receives the application.

16 (5) GRANT AMOUNT.—A grant under this sub-
17 section shall not exceed \$100,000 for any single ju-
18 risdiction within a 1 year period.

19 (6) REPORT.—Not later than December 31,
20 2005, the Attorney General shall submit to Congress
21 a report describing the applications submitted for
22 grants under this subsection, the award of such
23 grants, and the purposes for which the grant
24 amounts were expended.

1 (7) AUTHORIZATION OF APPROPRIATIONS.—

2 There is authorized to be appropriated to carry out
3 this subsection \$5,000,000 for each of fiscal years
4 2005 and 2006.

5 **SEC. 3405. GRANT PROGRAM.**

6 (a) AUTHORITY TO MAKE GRANTS.—The Office of
7 Justice Programs of the Department of Justice shall
8 award grants, in accordance with such regulations as the
9 Attorney General may prescribe, to State and local pro-
10 grams designed to combat hate crimes committed by juve-
11 niles, including programs to train local law enforcement
12 officers in identifying, investigating, prosecuting, and pre-
13 venting hate crimes.

14 (b) AUTHORIZATION OF APPROPRIATIONS.—There
15 are authorized to be appropriated such sums as may be
16 necessary to carry out this section.

17 **SEC. 3406. AUTHORIZATION FOR ADDITIONAL PERSONNEL**
18 **TO ASSIST STATE AND LOCAL LAW ENFORCE-**
19 **MENT.**

20 There are authorized to be appropriated to the De-
21 partment of the Treasury and the Department of Justice,
22 including the Community Relations Service, for fiscal
23 years 2005, 2006, and 2007 such sums as are necessary
24 to increase the number of personnel to prevent and re-

1 spond to alleged violations of section 249 of title 18,
 2 United States Code, as added by section ____07.

3 **SEC. 3407. PROHIBITION OF CERTAIN HATE CRIME ACTS.**

4 (a) IN GENERAL.—Chapter 13 of title 18, United
 5 States Code, is amended by adding at the end the fol-
 6 lowing:

7 **“§ 249. Hate crime acts**

8 “(a) IN GENERAL.—

9 “(1) OFFENSES INVOLVING ACTUAL OR PER-
 10 CEIVED RACE, COLOR, RELIGION, OR NATIONAL ORI-
 11 GIN.—Whoever, whether or not acting under color of
 12 law, willfully causes bodily injury to any person or,
 13 through the use of fire, a firearm, or an explosive or
 14 incendiary device, attempts to cause bodily injury to
 15 any person, because of the actual or perceived race,
